INVITATION TO ROUNDTABLE III: A SMARTER WAY TO WORK

Dear All

We invite you to participate in the roundtable A Smarter Way to Work. At this roundtable you will get insights from the work with mobility plans and strategies carried out by Facility-, HR - and CR management.

We will discuss how we can take mobility solutions further on to strategic agendas supporting the United Nations sustainable development goals in businesses as well as in partnerships.

At this roundtable you can influence the Moving People recommendations for 'A Smarter Way to Work' for businesses and municipalities in Greater Copenhagen. These will be presented at the Moving People Conference 10.-11. September 2019.
